## lighting

## multimedia

Inspired entertainment solutions, including USB ports, sound systems and Bluetooth® amplifiers.

Control your ambience with smart lighting, with spot, LED and ambient lighting.

## New digital and light panel

## For an easier life

Our smart control mobile application controls key functions, monitors utilities, gives access to user manuals, navigation data and Mobile Office functions, from the convenience of your smart phone or tablet.

MACH available on selected models, with the option to install MACH Plus, at order stage or after delivery.

### MACH

uses Bluetooth® for **local control** of key functions (control panel, heating, air-conditioning\*\* refrigerator, lighting, water pump, water tank levels and battery status). Also enables monitoring of external and internal temperature and provides basic vehicle information and levelling data.

### MACH PLUS

uses Bluetooth® Wi-Fi and LTE for **local and remote control\*** of key functions (control panel, heating, air-conditioning\*\* refrigerator, lighting, water pump, water tank levels and battery status) with statistics and prediction feature. MACH plus also monitors air pressure, outside humidity and gives access to **interactive User Manuals**, vehicle information and levelling data as well as **Mobile Office Wi-Fi hotspot\*** functionality (access to web, IP radio and TV).

## Real-world performance

All Adria caravans are designed to perform. Everything is meticulously designed, developed and tested to ensure your safety, comfort and enjoyment. Built to enjoy, built to last.

### 1\_INSPIRED DESIGN.

Exclusive designs with dynamic front profiles, stylish rear walls and signature features such as large panoramic windows on many models.

### 2\_CHASSIS.

Robust construction and integration for safer handling and optimum weight management, with AL-KO and Knott as our chassis partners.

### 3\_BODY CONSTRUCTION.

Modular construction using the best materials and construction methods, including Adria's unique 'Comprex' body construction.

### 4\_CLIMATE CONTROL.

Designed for living, all year round, with optimized heating efficiency by Truma or Alde, precise engineering and testing in our climate chamber.

### 5\_INSULATION.

The latest thermal insulation materials, sophisticated heat and air flow management to Adria's 'Thermo-build' standards and no 'cold-spots'.

### 6\_AIRFLOW.

Adria's sophisticated Air Flow System means every vehicle has integrated air-flow and ventilation, so no condensation.

### 7\_WINDOWS & DOORS.

Large, advanced design panoramic windows with built-in features. All windows and doors integrated to ensure optimum natural lighting, ventilation, privacy and security.

### 8\_FURNITURE & STORAGE.

Craftsman-built cabinetry integrated with heating and air flow for optimum thermal efficiency. Flexible storage in every vehicle too.

### 9\_COMFORT.

Contemporary living spaces with optimized space and functionality for comfortable living and a home-style feeling.

### 10\_CUSTOMER SERVICE.

Class-leading 2 Year General Warranty and 7 Year Water Ingress Warranty as standard, over 500 dealers and efficient after sales and parts service.

Some features may not be available on all models. Please check [www.adria-mobil.com](http://www.adria-mobil.com) for individual model specifications and technical details.

\*conditions apply see website for details

## Body construction

Adria caravans have a reputation for being robustly built, which reflects our approach to design, construction and quality management.

Adria's unique 'Comprex' body construction combines the torsional strength of wood, the durability of polyurethane and the moisture-stopping properties of polyester.

- 1 Composite wood panel
- 2 Polyurethane sealing
- 3 EPS Styrofoam
- 4 Exterior polyester body shell cladding (sidewall)

- 5 Exterior polyester body shell cladding (floor)
- 6 XPS Styrofoam insulation foam
- 7 Reinforced hardwood profile

(Model dependent: Astella shown here).

Please check [www.adria-mobil.com](http://www.adria-mobil.com) for individual model specifications and technical details.

## Climate control

Our caravans are built to Adria 'thermo-build' standards, making them suitable for use all year round. Featuring advanced insulation materials, precisely engineered heating design and Adria Air Flow System for ventilation and optimum circulation of air, cooling and heating.

All vehicles are tested in our own climate chamber, from -25 to +60 degrees and in humidity from 45 % to 80 % between +30 and +60 degrees.

Comfort is assured in warmer conditions, with good ventilation, integrated shading, screens and thermo-shielding in our panoramic windows. Optional air conditioning is also available to order.

Adria MACH smart control mobile application locally or remotely, controls heating, cooling and other vehicle utilities on selected models.

### HEATING

Heating using the best systems. Choose **Truma** warm air heating and optional electrical floor heating option. Or, **Alde** liquid based central heating, which distributes heat evenly throughout the caravan. Availability dependent on model.

### TECHNOLOGY

Advanced technologies are used in manufacturing, including Plasmatreat, a robotized process which cleans and applies adhesive for perfect aperture sealing.
