Item no. R08118017-EN-INT made with  by BRANDDORT

*Discover many more caravans, motorhomes and camper vans in our current catalogues. Our special caravan models can be found in the separate brochure for special models.*

Information on the product delivered, dimensions, mass and appearance, correspond to our understanding at the time of printing (08/2022). We reserve the right to make changes to fittings, technical data, series equipment and prices. Please make every effort to be fully informed about these matters by your authorised KNAUS dealer before making your purchase. Errors and misprints excepted. After a contract has been concluded, we reserve the right to make technical changes within the framework of the construction insofar as they serve technical progress and are acceptable for the customer. The information provided for a vehicle under the heading "Technical Data / Equipment Details" initially refers to the basic type of model approved under the EC type-approval procedure. Within the scope of country variants and special models, these values may differ if necessary. Please inform yourself about such deviations personally at your KNAUS specialist dealer. The prices indicated are recommended retail prices of the manufacturer. The prices indicated include the statutory value added tax (and, if applicable, other legally prescribed calculation factors or taxes, which may also be shown separately). The prices are (depending on the country) exclusive of the costs for registration documents, delivery and transport, unless expressly stated otherwise. Please consult your KNAUS dealer for further details. Illustrations similar. Please also note the comments in the current price list, in particular on weights, load capacities and tolerances. Some of the illustrations show equipment features that are not included in the standard equipment and that can be ordered for an additional charge (optional equipment) as well as some equipment features of prototypes/studies that do not correspond to the standard equipment and therefore cannot be ordered as optional equipment. Slight colour deviations of the illustrations in the brochure from the actual vehicle cannot be completely excluded for printing reasons. The optional extras selected will increase the mass of the production vehicle. Further options as well as the equipment of the series models can be found in the KNAUS Motorhomes & Camper Vans price list 2023. Reprinting, even in extracts, is only permitted with the prior written permission of Knaus Tabbert AG.

\* A voucher for redeeming the medication set is enclosed with the vehicle. The medication set contains pharmacy-only medication. The voucher can therefore only be redeemed at the responsible MediKit mail-order pharmacy at [www.medikit.shop](http://www.medikit.shop). You can also obtain further information about your MediKit at [www.medikit.shop](http://www.medikit.shop).
